## Meet one of our new Trip Leaders!

Russ Peterson has been a CMC member for 13 years. "In a former life I was an engineer and am now trying to decide what to be when I grow up. I am originally from New Mexico and have enjoyed a love of mountains, deserts and canyons since about the time I could crawl. I've climbed about forty of the fourteeners and have trekked around the world. My other passions include mountain biking, back country skiing, and backpacking. I am particularly interested in scrambles and love exposed ridges. My 'go to' for trips will be classic scrambles or cool ridgelines."

## Use the Wait List!

Trips tend to fill up in the first 48 hours but people drop off as time goes on. Most people get off the wait list and onto the trip roster. Keep the trip on your calendar and check you status at the CMC.org "My Membership" page.

### *Who are the Bobcats?*

*The Bobcats mission is to ensure a variety of challenging CMC trips, especially “B Difficult” and “C” hikes and Difficult Snowshoes, for our mostly age-50+ constituents. We may sponsor other activities of interest to our members, everything from bike rides to camping. Although we have members, our trips are non-exclusive. We welcome all CMC members to sign up for any Bobcats trip regardless of age or Bobcats membership.*
